

Faith Hope and Love Community Enrichment Ministries Inc.

To Whom It May Concern:

It is the mission of Faith Hope and Love Community Enrichment Ministries Inc to totally eradicate homelessness in every community. By collaborating with religious organizations, businesses, corporations, nonprofits, local city and county officials we will service the marginalized underserved population in the area.

Here at FHL we have an individualized wraparound program that addresses the mental health, substance abuse and housing needs of each individual. We realize that this is an enormous task to take on and we can not accomplish it without your help. That is why it is so important that we partner with people such as yourself. Your gift of any amount will assist with feeding the hungry, clothing the naked, housing the unhoused and preparing them to return to the workforce and be productive members of society once again.

We are positive that we can do it with your help!
